

Introducing Cassville Demonstration* Route

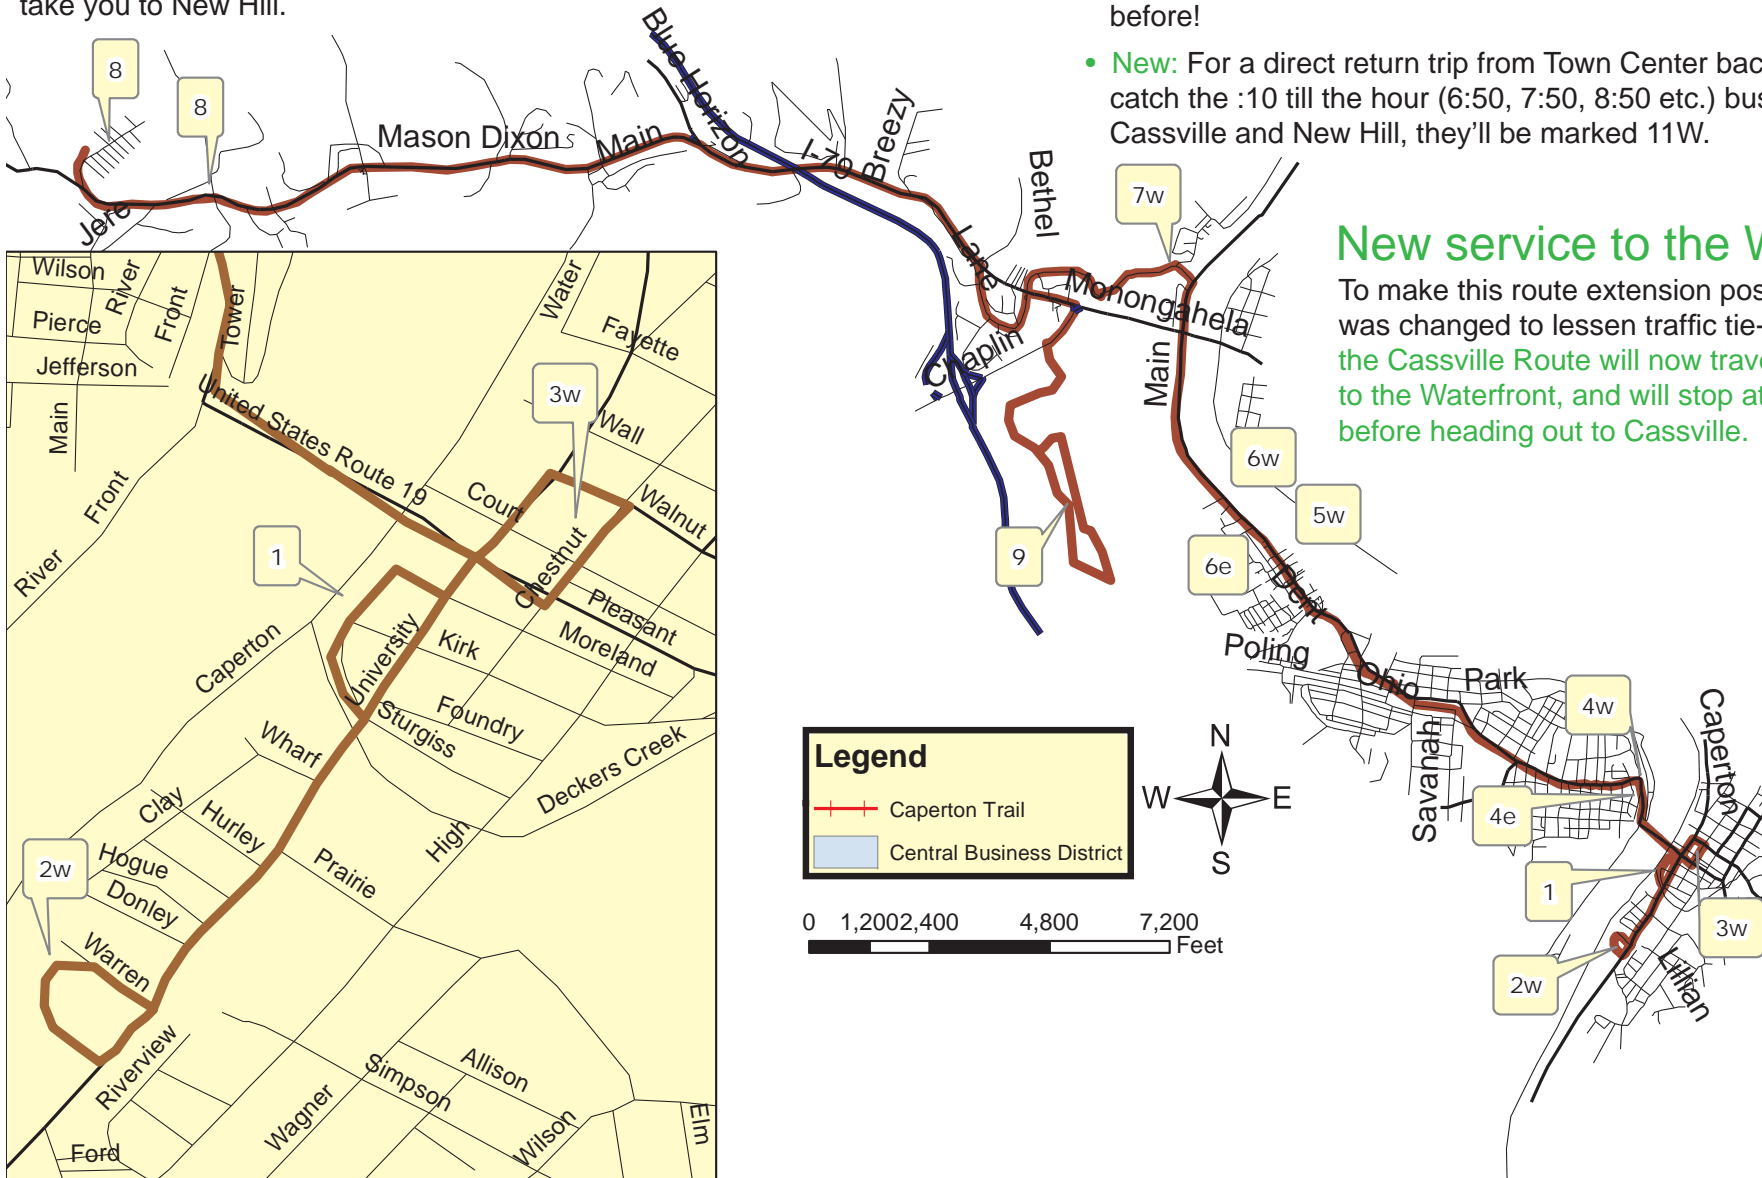

- Cassville West 11W travels from Downtown Morgantown out to New Hill
- Cassville East 11E travels from New Hill toward Downtown Morgantown
- **What this means to you:** If you are catching the bus at University Town Center buses marked 11E will take you to town while buses marked 11W will take you to New Hill.

Catching the bus at New Hill?

- To catch a bus directly to University Town Center take a bus that leaves the depot at the top of the hour (7:00, 8:00 etc.) Just like before!
- **New:** For a direct return trip from Town Center back to New Hill catch the :10 till the hour (6:50, 7:50, 8:50 etc.) buses headed out to Cassville and New Hill, they'll be marked 11W.

New service to the Waterfront!

To make this route extension possible, bus travel was changed to lessen traffic tie-ups. As a result, the Cassville Route will now travel to the depot, then to the Waterfront, and will stop at the Walnut PRT before heading out to Cassville.

* This bus route will operate on a 30 minute frequency for a 12-month trial period. This Demonstration is being funded by the City of Morgantown and the Monongalia County Commission. Your frequent and regular use of this service may determine if this increase in service becomes permanent, so RIDE THE BUS! The additional :30 minute, bottom of the hour trips on this DEMONSTRATION ROUTE will begin April 14, 2008 and will end April 10, 2009.
